EDUCATION

September 2023 – <i>Present</i>	Doctoral Student Clinical Psychology Health Emphasis Ph.D. Program , APA Accredited Ferkauf Graduate School of Psychology Yeshiva University, Bronx, New York Director of Clinical Training: Bari Hillman E-mail: Bari.Hillman@yu.edu Phone: 516-857-0827
June 2025	M.A., Psychology Ferkauf Graduate School of Psychology Yeshiva University, Bronx, New York
May 2021	B.S., with Distinction Cum Laude Major Integrative Neuroscience, Minor Judaic Studies Binghamton University, Binghamton, NY

SUPERVISED CLINICAL TRAINING

July 2025– <i>Present</i>	<i>Center for Neuropsychological Services (CNS) – Lifespan track</i> Long Island, New York <ul style="list-style-type: none">• Conduct outpatient neuropsychological assessments for patients referred with a wide range of referral questions from neurology, neurosurgery, psychiatry and internal medicine• Participate in two rotations, sixth months adult and six months pediatric assessment• Full-length assessment report writing• Receive weekly individual supervision and training from a board-certified neuropsychologist• Didactic training opportunities (neuropsychology seminar, fact finding, and opportunities for presentations) Supervisors: Phillip Watson, PhD, ABPP and Julia Chen, PhD
July 2024– June 2025	<i>Brooklyn College: Personal Counseling</i> Brooklyn, New York <ul style="list-style-type: none">• Maintained a caseload of four students providing weekly individual therapy using both dynamic and cognitive interventions

- Conducted 2-3 intake sessions per week evaluating best treatment options and conducting referrals
- Co-lead a weekly interpersonal process group
- Attend weekly didactics, individual and group supervision

Supervisor: Marjory Frosch, Ph.D.

January 2024–
July 2025

Max & Celia Parnes Family Psychological Clinic

Bronx, New York

- Maintained a caseload of three adults: provided weekly individual therapy in the context of chronic illness using cognitive behavioral interventions
- Conducted pre-surgical psychological evaluations for patients seeking bariatric surgery; provided written assessment to referring physicians.
- Received individual weekly clinical supervision.

Supervisors: Amanda Parker, Ph.D. and Marcus Ramirez Santoyo, Psy.D.

Bariatric Supervisor: Lauren Silverman, Ph.D.

CLINICAL WORK EXPERIENCE

August 2021 & 22

Brave Buddies Intern

Child Mind Institute, New York, NY

- Worked individually with patients experiencing selective mutism using CDI and VDI therapy in a classroom setting.
- Prepared clinical notes detailing patients' progress throughout the session.
- Collaborated with supervisors and peers on individual patients goals previous, during, and post treatment.

Supervisor: Emma Zoloth, Ph.D.

DOCTORAL RESEARCH EXPERIENCE

August 2023–
Present

Pre-Doctoral Research Project

Ferkauf Graduate School of Psychology, Yeshiva University

Bronx, New York

Title: Perceived Pain and its Association with Physical Functioning in Older Adults' with and Without Multiple Sclerosis

Supervised by: Roee Holtzer, Ph.D.

August 2023 –
Present

Graduate Research Assistant

Neuropsychology cognition and mobility lab

Ferkauf Graduate School of Psychology, Yeshiva University/Albert

Einstein College of Medicine

Bronx, New York

- Participate in study procedures including administering neuropsychology battery Near-Infrared-Spectroscopy (NIRx) administration, survey administration, and data analyses.
- Involvement in a Mild Cognitive Impairment sub study using a novel mobile app assessment battery, neuropsychology battery, EEG, and NIRx components
- Support ideas pertaining to current pre-doctoral and doctoral level research projects of peers.
- Collaborate with advisor on current research projects and papers.

Principal Investigator: Roe Holtzer, Ph.D.

ADDITIONAL RESEARCH EXPERIENCE

January 2021 – August 2024 ***Title: Connexin Composition of Electrical Synapses of the Mautner Cell***
 Albert Einstein College of Medicine, Bronx, NY

- Plan and execute immunohistochemistry and expansion microscopy experiments evaluating synaptic connection in transgenic fish and analyzed all data.
- Present research at inter-university lab meetings and various conferences.

Principle Investigator: Alberto Pereda, Ph.D.

STUDENT LEADERSHIP EXPERIENCE

June 2025-Present **Lead Research Assistant Holtzer Lab**
Albert Einstein College of Medicine

- Manage all aspects of laboratory function including monitoring of all ongoing studies, student teams, and general administrative tasks.
- Lead and plan recertification training sessions
- Onboard and train new lab members
- Meet weekly with principal investigator

Principle Investigator: Alberto Pereda, Ph.D.

July 2024-Present **Program Teaching Assistant**
Ferkauf Graduate School of Clinical Psychology
 Bronx, New York

- Assist with administrative including yearly reporting to the APA, student handbook updates and student record management
- Support the APA accreditation process including site visit preparation

Supervisor: Bari Hillman, Ph.D.

August 2020- May 2021 **Student Advisory Committee**
Judaic Studies Department, Binghamton University
 Binghamton, New York

- Student representative to the head of the Judaic studies department with the goals to advice on tenure committee, course offering, and event planning.

Supervisor: Randy Friedman, Ph.D.

August 2020 –
May 2021

Major Programs Coordinator

Chabad of Binghamton University, Binghamton University

Vestal, New York

- Lead multiple groups of students in coordinating large scale fundraisers and events, raising upwards of 20,000 dollars for cancer patients and drawing hundreds of students.

Supervisor: Goldie Ohana

TEACHING EXPERIENCE

August 2020 –
December 2020

Undergraduate Teaching Assistant: *Psychological Statistics*

Binghamton University, Binghamton, New York

- Responsible for conducting weekly office hours, creating content questions and proctoring.

Supervisor: Allison Mckinnon, M.A.

July/August
2018 & 2019

Assistant Teacher

Rodeph Shalom School, Manhattan, New York

- Collaborated with a head teacher at a nursery school to provide educational programming.
- Lead daily classroom activities including projects, class meetings, and reading times.

Supervisor: Melissa Rosen, M.A.

OTHER RELATED EXPERIENCE

June 2021-
August 2023

Research Technician

Dominick P. Purpura Department of Neuroscience, Albert Einstein College of Medicine, Bronx, NY

- Participated in novel research using immunochemistry, expansion microscopy, and imaging using confocal microscopy.
 - Oversaw zebrafish facility, including husbandry, water system, genotyping, and expansion.
 - Managed lab resources, purchases, communications, and contracts
 - Trained new personnel on lab research techniques and concepts.
-

May 2018

Intern

Allyn Pediatric Rehabilitation Facility, Jerusalem Israel

- Assisted in a nursery classroom setting for children with physical and cognitive disabilities.
- Managed watching, feeding, transportation and play time.

- Participated in physical, occupational and speech therapy.

GRANTS, HONORS, AND AWARDS

2023 –Present Merit Scholarship, Ferkauf Graduate School of Psychology
 May 2021 Cum Laud, Binghamton University
 Fall 2018, Fall 2019, Dean's List, Binghamton University
 Spring 2020,
 Spring 2021

PAPERS/ABSTRACT/POSTER PRESENTATIONS AT SCIENTIFIC CONFERENCES

Stephan Tetenborg^{1,8}, Eyad Shihabeddin^{1,9}, Elizebeth Olive Akansha Manoj Kumar^{1,9}, Crystal L. Sigulinsky^{2,9}, Karin Dedek^{3,4}, Ya-Ping Lin¹, Fabio A. Echeverry⁵, **Hannah Hoff**⁵, Alberto E. Pereda⁵, Bryan W. Jones², Christophe P. Ribelayga¹, Klaus Ebnet⁶, Ken Matsuura⁷ & John O'Brien^{1,8} (pre-publish) *Uncovering the electrical synapse proteome in retinal neurons via in vivo proximity labeling*; Under Review

Hoff, H, Ijaz, S, Echeverry, F, O'Brien, J, Pereda, A, (2023, November, 11-14) *Complexity of connexin composition at post-synaptic sites of electrical synapses on the Mauthner cell* (Poster Abstract/Presentation) Society for Neuroscience Meeting, Washington DC, United States

Hoff, H, Ijaz, S, Echeverry, F, O'Brien, J, Pereda, A, (2023, November, 16-19) *Complexity of connexin composition at post-synaptic sites of electrical synapses on the Mauthner cell* (Poster Abstract/Presentation) Zebrafish Neurobiology Meeting, Cold Spring Harbor, NY, United States

Hoff, H, Ijaz, S, Echeverry, F, O'Brien, J, Pereda, A, (2023, May 26) *Connexin Composition of Electrical Synapses on the Mauthner Cell* (Poster Abstract/Presentation) Mid Atlantic Regional Zebrafish Meeting, Bethesda MD, United States

PROFESSIONAL MEMBERSHIP

American Psychological Association (APA), Student Member and Division 38, Health
